Instructions

List all projected income and expenditure items for the entire project under the headings given. If there are headings not relevant to your proposal, leave the item blank.

Please check the following points:

1. **IMPORTANT:** In the Budgeted Expenditure Section, all expenditure items which are to be covered by the grant are clearly identified.
2. The total income and total expenditure **must equal**.
3. The Budgeted Income section should include a listing of all contributors to your project including an indication of whether each source of funding is confirmed, conditional or pending approval. Documentary evidence should be supplied for assurances of confirmed and conditional funding support.

COALAR Special Grant Round Application form

4. **Grants do not fund** fixed or recurrent expenditure of your organisation, such as the cost of salary, which would be incurred irrespective of whether this project proceeds. This includes fees for the use of equipment, facilities and other costs that your own organisation may charge you. Generally, these grants cannot be used to contribute to capital expenditure such as equipment or computer software. For further details please refer to the website under [Eligibility](#).

5. Tips for budgeting travel: calculate and budget for reasonable economy class travel. DFAT prefers modest travel budgets (ie. high expenses for meals, incidentals and accommodation are generally not supported). As DFAT prefers not to partially fund applications, your application could be unsuccessful if travel costs are not considered appropriate.

GST

Notes on GST:

If you are GST-registered, your budget should be **exclusive of GST** and we will pay the grant plus GST. You should provide amounts in Australian dollars (AUD).

If you are not GST-registered, your budget should **include GST** as this is part of the cost of the project. We do not add any amount to the grant to cover this expense as you are not obliged to charge DFAT GST.

Are you registered with the Australian Tax Office for GST purposes? *

Will you be charging - *

- GST in addition
 No GST

If uncertain, check with your organisation's finance area as this will impact on final funding and grant agreement. Note, universities and research organisations usually charge GST.
