Australian Cultural Diplomacy Grants Program: Round 2 process

¹ The advancement of Australia's international strategic, security and economic interests including through bilateral, regional and multilateral engagement on Australian Government foreign, trade and international development policy priorities.

1 Introduction

These guidelines contain information for the ACDGP grants.

This grant opportunity is part of the International Relations Grants Program (see Section 2.).

You must read these guidelines before filling out an application.

This document sets out:

- the purpose of the grant program/grant opportunity
- the eligibility and assessment criteria
- how grant applications are considered and selected
- how grantees are notified and receive grant payments
- how grantees will be monitored and evaluated
- responsibilities and expectations in relation to the opportunity.

2 About the International Relations Grants Program

The program is part of the International Relations Grants Program (IRGP), which is an ongoing program, subject to annual budget appropriation.

The objectives of the IRGP are:

- to support the Government's foreign policies and economic diplomacy interests
- to project a positive contemporary image of Australia
- to support professional, community and institutional linkages between Australia and its partners on contemporary issues of shared interest including business, education, innovation, science, technology, the arts, media and sport.

The intended outcomes of the program are to:

- increase public awareness of Australia in the host countries and of the host countries in Australia
- develop enduring partnerships in areas of shared interest in the bilateral, regional and global context between Australian institutions and those in the host countries
- increase Australia's capacity to effectively engage with the host countries.

In light of the COVID-19 pandemic, DFAT Foundations, Councils and Institutes (FCI) have postponed their 2020-21 International Relations Grant Program (IRGP) round. They are now exploring options for activities that are achievable in the current context. Information on future opportunities will be published on the relevant FCI web pages:

- Australia-ASEAN Council (AAC)
- Australia-India Council (AIC)
- Australia-Indonesia Institute (AII)
- Australia-Japan Foundation (AJF)
- Australia-Korea Foundation (AKF)
- Council for Australian-Arab Relations (CAAR)
- Council on Australia Latin America Relations (COALAR)

We administer the program according to the [Commonwealth Grants Rules and Guidelines](https://www.finance.gov.au/sites/default/files/commonwealth-grants-rules-and-guidelines.pdf) (CGRGs)².

8 The grant selection process

8.1 Assessment of grant applications

We review your application against the eligibility criteria.

If eligible, we will then assess your application against the assessment criteria (see Section 6) and against other applications. We consider your application on its merits, based on:

- how well it meets the criteria
- how it compares to other applications
- whether it provides value with relevant money.⁵

When assessing the extent to which the application represents value with relevant money, we will have regard to:

- the overall objective/s to be achieved in providing the grant
- the relative value of the grant sought
- extent to which the geographic location of the application matches identified priorities
- the extent to which the evidence in the application demonstrates that it will contribute to meeting the outcomes/objectives
- how the grant activities will target groups or individuals.

8.2 Who will assess applications?

An assessment committee will assess each application on its merit and compare it to other eligible applications before recommending which grant applications are suitable for a grant. The assessment committee will consist of DFAT representatives.

The ACDGP Secretariat, within DFAT, will provide information and advice to the assessment committee to assist its determination of policy and its assessment of grant applications.

The assessment committee may seek additional information about you or your application. They may do this from within the Commonwealth, including from relevant Australian missions overseas, even if you do not nominate the sources as referees. The assessment committee may also consider information about you or your application that is available through the normal course of business.

The assessment committee may ask external experts/advisors to inform the assessment process. Any expert/advisor, who is not a Commonwealth Official, is expected to perform their duties in accordance with the CGRGs

⁵ See glossary for an explanation of 'value with money'.

The assessment committee recommends to the Program Delegate which applications to approve for a grant.

8.3 Who will approve grants?

The First Assistant Secretary, Executive Division, or his/her delegate within DFAT decides which grants to approve taking into account the recommendations of the assessment committee and the availability of grant funds for the purposes of the grant program.

The Program Delegate's decision is final in all matters, including:

- the approval of the grant
- the grant funding amount to be awarded

There is no appeal mechanism for decisions to approve or not approve a grant.

The delegate will not approve funding if they reasonably consider the program funding available will not accommodate the funding offer, and/or the application does not represent value for money.

The ACDGP reserves the right to offer less funding than that sought by the applicant.

9 Notification of application outcomes

We will advise you of the outcome of your application in writing. If you are successful, we will advise you of any specific conditions attached to the grant.

If you are unsuccessful, you can submit a new application for the same grant (or a similar grant) in any future grant opportunities under the program. You should include new or more information to address any weaknesses that may have prevented your previous application from being successful.

9.1 Feedback on your application

If you are unsuccessful, you may ask for feedback within one month of being advised of the outcome. We will give verbal feedback within one month of your request.

10. Successful grant applications

10.1 The grant agreement

You must enter into a legally binding grant agreement with the Commonwealth. We use two types of grant agreements in this program. Our selection will depend on the size and complexity of your grant activities.

The grant agreement has general terms and conditions that cannot be changed.

We must execute a grant agreement with you before we can make any payments. We are not responsible for any of your expenditure until a grant agreement is executed. If you choose to start your grant activities before you have an executed grant agreement, you do so at your own risk. You must not start any ACDGP activities until a grant agreement is executed.

Your grant agreement may have specific conditions determined by the assessment process or other considerations made by the Program Delegate. We will identify these in the agreement.

The Commonwealth may recover grant funds if there is a breach of the grant agreement.

Letter of Agreement

We will send you a letter of agreement advising that your application has been successful and providing you with an offer. You accept the offer by signing and returning the letter of agreement to us. We consider the agreement to be executed (take effect) from the date you sign the letter.

Simple Grant Agreement and/or Standard Grant Agreement

We will use a simple grant agreement and/or standard grant agreement.

You will have 30 days from the date of a written offer to execute this grant agreement with the Commonwealth ('execute' means both you and the Commonwealth have signed the agreement). During this time, we will work with you to finalise details.

The offer may lapse if both parties do not sign the grant agreement within this time. Under certain circumstances, we may extend this period. We base the approval of your grant on the information you provide in your application.

10.2 How we pay the grant

The grant agreement will state the:

- maximum grant amount to be paid
- any financial contributions you will make
- any in-kind contributions you will make
- any financial contribution provided by a third party.

We will not exceed the maximum grant amount under any circumstances. If you incur extra costs, you must meet them yourself.

All grants are awarded in Australian dollars. You should allow for the exchange fees in your project budget. You are responsible for any financial differences that may occur from the time of the application submission to when the project takes place, due to fluctuations in the exchange rate.

We will make payments according to an agreed schedule set out in the grant agreement. Payments are subject to satisfactory progress on the grant activity.

We set aside up to ten per cent of the total grant funding for the final payment. We will pay this when you submit a satisfactory final report demonstrating you have completed outstanding obligations. We may need to adjust your progress payments to align with available grant program funds across financial years and/or to ensure we retain up to ten per cent of grant funding for the final payment.

10.3 Grants Payments and GST

If you are registered for the [Goods and Services Tax \(GST\)](#) where applicable, we will add GST to your grant payment and issue you with a [Recipient Created Tax Invoice](#). Budgets must be GST exclusive.

Grants are assessable income for taxation purposes, unless exempted by a taxation law. We recommend you seek independent professional advice on your taxation obligations or seek assistance from the [Australian Taxation Office](#).⁶ We do not provide advice on your particular taxation circumstances.

11 Announcement of grants

If successful, your grant will be listed on the GrantConnect website 21 calendar days after the date of effect as required by Section 5.3 of the [CGRGs](#).

12 How we monitor your grant activity

12.1 Keeping us informed

You should let us know if anything is likely to affect your grant activity or organisation.

We need to know of any key changes to your organisation or its business activities, particularly if they affect your ability to complete your grant, carry on business and pay debts due.

⁶ <https://www.ato.gov.au/>

You must also inform us of any changes to your:

- name
- addresses
- nominated contact details
- bank account details.

If you become aware of a breach of terms and conditions under the grant agreement, you must contact us immediately.

You must notify us of events relating to your grant and provide an opportunity for the Minister or their representative to attend.

12.2 Reporting

You must submit reports in line with the grant agreement. We will provide sample templates for these reports as appendices in the grant agreement. We will remind you of your reporting obligations before a report is due. We will expect you to report on:

- progress against agreed grant activity milestones and outcomes
- contributions of participants directly related to the grant activity
- expenditure of the grant.

The amount of detail you provide in your reports should be relative to the size, complexity and grant amount.

We will monitor progress by assessing reports you submit and may conduct site visits or request records to confirm details of your reports if necessary. Occasionally we may need to re-examine claims, seek further information or request an independent audit of claims and payments.

Progress reports

Progress reports must:

- include evidence of your progress towards completion of agreed activities and outcomes
- show the total eligible expenditure incurred to date
- be submitted by the report due date (you can submit reports ahead of time if you have completed relevant activities).

We will only make grant payments when we receive satisfactory progress reports.

You must discuss any reporting delays with us as soon as you become aware of them.

Ad-hoc reports

We may ask you for ad-hoc reports on your grant. This may be to provide an update on progress, or any significant delays or difficulties in completing the grant activity.

Final report

When you complete the grant activity, you must submit a final report.

Final reports must:

- identify if and how outcomes have been achieved
- include the agreed evidence as specified in the grant agreement
- identify the total eligible expenditure incurred
- be submitted within 60 days of completion in the format provided in the grant agreement.

12.3 Audited financial acquittal report

We may ask you to provide a declaration that the grant money was spent in accordance with the grant agreement and to report on any underspends of the grant money.

We may ask you to provide an independently audited financial acquittal report. A financial acquittal report will verify that you spent the grant in accordance with the grant agreement. The financial acquittal report template is attached to the sample grant agreement.

12.4 Grant agreement variations

We recognise that unexpected events may affect your progress. In these circumstances, you can request a variation to your grant agreement. You can request a variation by contacting the ACDGP Secretariat at Cultural.Diplomacy@dfat.gov.au.

You should not assume that a variation request will be successful. We will consider your request based on provisions in the grant agreement and the likely impact on achieving outcomes.

12.5 Compliance visits

We may visit you during or at the completion of your grant activity to review your compliance with the grant agreement. We will provide you with reasonable notice of any compliance visit.

12.6 Record keeping

We may also inspect the records you are required to keep under the grant agreement.

12.7 Evaluation

We will evaluate the grant opportunity to measure how well the outcomes and objectives have been achieved. We may use information from your application and reports for this purpose. We may also interview you, or ask you for more information to help us understand how the grant impacted you and to evaluate how effective the program was in achieving its outcomes.

We may contact you up to three years after you finish your grant for more information to assist with this evaluation.

12.8 Acknowledgement

The Australian Government crest should be used on all materials related to grants under the program. Whenever the crest is used, the publication must also acknowledge the Commonwealth as follows:

Link to logo: <https://www.dfat.gov.au/about-us/corporate/Pages/logos-and-style-guides>

If you make a public statement about a grant activity funded under the program, we require you to acknowledge the grant by using the following:

13 Probity

The Australian Government will make sure that the grant opportunity process is fair, according to the published guidelines, incorporates appropriate safeguards against fraud, unlawful activities and other inappropriate conduct and is consistent with the CGRGs.

These guidelines may be changed from time-to-time by the Department of Foreign Affairs and Trade. When this happens, the revised guidelines will be published on GrantConnect and the department's [website](#).

13.1 Enquiries and feedback

All complaints about the grant process must be provided in writing.

Any questions you have about grant decisions for this grant opportunity should be sent to Cultural.Diplomacy@dfat.gov.au.

If you do not agree with the way the Department of Foreign Affairs has handled your complaint, you may complain to the [Commonwealth Ombudsman](#). The Ombudsman will not usually look into a complaint unless the matter has first been raised directly with the Department of Foreign Affairs and Trade.

13.2 Conflicts of interest

Any conflicts of interest could affect the performance of the grant opportunity or program. There may be a conflict of interest, or perceived conflict of interest, if DFAT staff, any member of a committee or advisor and/or you or any of your personnel:

- has a professional, commercial or personal relationship with a party who is able to influence the application selection process, such as an Australian Government officer

Your personal information can only be disclosed to someone else for the primary purpose for which it was collected, unless an exemption applies.

The Australian Government may also use and disclose information about grant applicants and grant recipients under this grant opportunity in any other Australian Government business or function.
